**5** Alibre Design  
Click here to upgrade to the latest version of Alibre Design

**6** Upgrade My Account  
Alibre Design account is currently configured for version 11.1.1.  
To upgrade to Alibre Design 11.2, click the button below to initiate the process.  
Important: Before upgrading to Alibre Design 11.2, ensure you are aware of important changes. Responsibilities are not assumed for users upgrading to 11.2 as users will need to migrate their data to the Alibre 11.2 file format, or to the file format of the version you are upgrading to.  
[Upgrade My Account To Alibre Design 11.2]  
PLEASE READ:  
After clicking to upgrade, please wait while we process your request. This may take several seconds.

Now, go to the Downloads page and you will be provided the newest versions automatically.
